

ASSORTMENT 2020

HELLO.

Dear Customer,

Wow, 2019 sure was something! Not only did we celebrate our 100th birthday, we were given the predicate Royal - true crowning glory of a century of quality. Like our new Nic Bread Bin with its pretty bamboo lid, and convenient carrying handle. We also added the plus size Bo Pedal Bins and coloured rotary dryers.

In 2020 we will bring new colours, products and complete new collections. Like the Profile Line, a series of nearly 60 classy kitchen utensils, knives, and chopping boards in timeless metal and black or beech wood. The Bathroom Collection brings a shower of new bathroom beauties – from soap dispensers to squeegees, and includes toilet brushes, scales, toilet roll holders, soap dishes and bathroom caddies.

With seven new Sink Side items, your shoppers can make doing the dishes a moment to enjoy with their family even more. The Sort & Go line is extended by the Sort & Go 25-litre bin and sports a new colour, bringing the total up to five sizes, and four colours. Staying on the subject of colour: we will start the year off with four new colours for our other bins too. A blushing Terracotta Pink, calm Pine Green, a strong Mineral Cinnamon, and a luxurious Champagne.

In 2020, we will be continuing our support for WeForest. We have planted over 1.8 million trees so far. Thanks a million for your help too. With our waste bins, we support The Ocean Cleanup in its mission to rid oceans and now also rivers of plastic. Many Brabantia products are Cradle-to-Cradle® Certified on Bronze level. They meet strict requirements for (re)use of materials, renewable energy, water stewardship, and social fairness.

Let's make 2020 an even better year. Enjoy our new point of sale material, digital content packages, consumer advertising, service and web support. Please let me or a member of my team know if we can support you in any other way. We are happy to help.

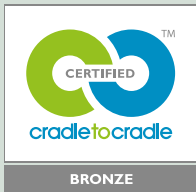

Yours sincerely,
Export Team

WELCOME.

NEW. SORT & GO 25 LITRES AND FIR GREEN

The plastic Sort & Go bins are all you need to set up your own system for storing and sorting different types of waste. The 3, 6, 12 and 16 litres bins now have a big 25L brother, great for bigger chores. The new Fir Green colour, brings the total of colours to four.

See page 19

NEW. BO PEDAL BIN

The Bo Pedal Bin 60L and 2x30L take up little space, but offer lots of room for recycling. Both have an odour-proof lid and integrated side grips. The 60L version is great for bigger households; the 2x30L version offers all you need for sustainable waste collecting and separating.

THE HUNGER PROJECT

Our storage jars with measuring cups help reduce food waste, and help end hunger too. For every storage jar you buy, The Hunger Project trains up a local person in Africa, South Asia or Latin America, teaching them useful agricultural skills. Together, we can put a sustainable end to world hunger by 2030.
